

CWA SCIENCE CLASSES

Concept with Abhishek | Abhishek Garg Sir (Physics, Chemistry, Maths)

Class: 12th (Bihar Board)	Subject: Physics
Chapter: Electrostatic Potential and Capacitance	Video Length: 2:15:20

Study Notes & Preparation Tips

1. Chapter ka concept clearly samjhein - definitions aur formulae yaad karein.
2. Important derivations ko step-by-step likh kar practice karein.
3. NCERT ke saare in-text aur exercise questions solve karein.
4. Numericals ki practice daily karein - units ka dhyan rakhein.
5. Diagram based questions ke liye labelled diagrams practice karein.
6. Previous year Bihar Board questions is chapter se zaroor solve karein.

Chapter Weightage & Exam Strategy

'Electrostatic Potential and Capacitance' Bihar Board Class 12 Physics ke exam ke liye important chapter hai. Is chapter se objective aur subjective dono type ke questions puche jaate hain. Weekly test mein is chapter se questions honge, isliye class video dekhne ke baad NCERT ke saare questions khud se solve karein aur doubt hone par Abhishek Garg Sir se poochein.

How to Use This PDF

1. Pehle class video (website par upar diya gaya) dhyan se dekhein.
2. Video dekhte waqt ye PDF saath mein khula rakhein aur notes banayein.
3. Video khatam hone ke baad in points ko revise karein.
4. Weekly test mein isi chapter se questions aa sakte hain.
